

CIERRA SCOTT

Freelance Copyeditor

I am a hopeless romantic with a BA in English from Hollins University. I am based in Atlanta, Georgia, beginning my freelance editing business in May 2024. I specialize in romantic narratives of all kinds, however I am open to servicing any genre.

TESTIMONIAL

- **Yong Takahashi** | "The Residency"
June 2024

"I edited my short story several times and I thought I had corrected all my typos. Cierra was able to find some that I missed and pointed out some suggestions as well. I highly recommend her services for a publish-ready project. I will be using her again for my upcoming novel."
